

Our mission is to alleviate the effects of poverty, hunger, homelessness and addiction by providing community based social services to those in need.

ICS is looking for new meal partners to provide lunches for our Hygiene Center guests!

The ICS Hygiene Center is open on weekdays to those experiencing homelessness, providing:

- Showers
- Laundry
- Respite
- Meals
- Other supportive services

We serve 35-40 lunches per day.

Meal partners in the past have donated meals one time only, once a week, once a month, or as often as they are able.

Help us provide basic needs for the most vulnerable in our community.

Contact us by phone or email (below) for more information or to sign up to serve our neighbors in need!

*Immanuel Community Services is a 501(c)3 tax exempt organization.
All donations are tax deductible.*
