RECOVERY PROGRAM SHELTER

The ICS Recovery Program Shelter provides a safe, supportive, clean & sober living environment for men who are working to overcome addiction to drugs and/or alcohol. Up to 15 men stay with us while participating in Intensive Outpatient Treatment at the Matt Talbot Center. ICS offers a place to sleep and hot meals so they can focus on their recovery and life skills to prepare them for permanent independent living.

HYGIENE CENTER

The ICS Hygiene Center is open weekdays from 8am-2pm to anyone experiencing homelessness. We provide a welcoming environment to those who need a safe place to wash clothes, take a shower, enjoy two hot meals and find a few hours of respite from the outdoors. Guests receive a hot lunch, toiletries, razors, shampoo, deodorant, soap, clothes, blankets and survival supplies like socks, rain coats & hand-warmers. These critical survival services allow people the opportunity to work, work on housing and other daily activities with dignity.

FOOD BANK

The ICS Food Bank serves approximately 414 households (610 people) per month. Open on Mondays each week to anyone who needs help putting food on their table, no matter where they live or financial situation. Many of our visitors are on fixed incomes and while some receive food stamps, it is not enough to provide adequate nutrition through the month.

COMMUNITY LUNCH

Once a month, a team of volunteers prepares a warm nutritious meal for anyone who would like to enjoy a hot meal and friendly conversation. For those that are hungry, it is a welcome hot meal. For those that are isolated & live alone, it provides community and conversation with neighbors.

MC for the day: Jermaine Harris, Recovery Shelter grad

This year, we changed the Community of Hope Celebration to a Luncheon rather than a Breakfast.

We heard from staff, Recovery Shelter residents and others about how ICS helped with struggles.

Our guest speaker, Antonio, spoke to the sense of community he feels at the ICS Hygiene Center and told us about his difficult background fleeing from Mexico.

We had a great turnout and look forward to 2024!
